

# Deedy's MacOS Claude Computer Use Setup

**Streamlit** runs a **Python** application.  
This **Python** application is a simple **ReAct Agent** with 3 tools...

- #1 - **Computer Tool**
- #2 - **Bash Tool**
- #3 - **File Edit Tool**

**Streamlit app on port 8501**

## ⚠ CAUTION

This **Streamlit** web app allows you to prompt Claude to execute actions on your Mac as if it was you

**BE CAREFUL** with your prompts and take care to read up on the security concerns of Computer Use Agents to avoid negatively affecting your personal data
